Chapter 1

I am by birth a Genovese, and my family is one of the most distinguished of that republic. My ancestors had been for many years counsellors and syndics, and my father had filled several public situations with honour and reputation. He was respected by all who knew him for his integrity and indefatigable attention to public business.

myNoise®

Focus · Relax · Sleep

myNoise creates beautiful noises to mask the sounds you don't want to hear : your chatty colleagues, tinnitus, or even your inner voice when you can't shut it down! The concept is simple, works extremely well, and does not require noise-cancelling headphones. Thanks to its unique audio engineering, myNoise sets the standard among background audio tracks.

WSJ · The New York Times · Atlantic · cnet · ©CBS · 🖤 · 🗨

This page describes just a fraction of the 300+ sound generators available

need to focus in a noisy environment

Irish Coast · Sea waves, rain and wind – the perfect natural soundscape to block out a noisy office.

I want a good sleep

Distant Thunder · If you have troubles sleeping, try a combination of calming rain and distant thunder – a favorite of so many myNoise users!

#6: myNoise

Think of myNoise as free **noise-canceling headphones.** It can create any noise you like to mask those you don't:

· Busy streets

· Noisy colleagues

· Loud cafes or restaurants

You **can listen** to rain, white noise, or even the Ocean!
